

Wasaya Airways is a leading air service provider for First Nations communities across Northern Ontario, serving more than 25 destinations, including many in remote and challenging environments. Owned by a partnership of 12 First Nations communities in collaboration with EIC, the airline operates a diverse fleet designed for northern operations, capable of safely handling shorter gravel runways and extreme weather conditions. Through reliable passenger, cargo, and community-focused services, Wasaya plays an essential role in connecting the North.

## About the Operator
